Subject: FW: Links for Watson Report

Rupert,

Per our discussion Thursday afternoon, I checked with External Affairs and they sent me the links below. These exhibits are associated with the Watson Report and they are posted on Cabot's web page. I think this is what you were looking for, but if not, let me know. I have some other items to send you this morning under separate cover as well.

Thanks,
John

contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.
